

Deep learning, Blockchain, StackOverflow...

One or more of these technologies have finally been put to good use...

Fasten your eyebelts for...

VIDDIT*

HELLO MASTER LET ME BE cute.dll FOR YOU. woof.ogg

How does it work!?

1. Type in ANY subreddit.
2. Black magic happens.
3. Congratulations! You now have a mindblowing compilation video on Youtube and possibly some sick ad revenue to follow with it!

It's as easy as lemons!

Even my cybernetically enhanced dog could do it!
